

Agile coming your way? Eek?

# AGILE COMMS FOR AGILE NEWBIES

To get you started with Agile  
Ways of Working

In this micro-workshop, Agile  
newbies will learn:

- About Agile Ways of Working
- What changes for internal comms folks
- How to do Agile comms planning using our customised planning tool
- Agile value storytelling to celebrate and engage

Contact us for details on the  
outcomes, outputs & giveaways

## FEEDBACK

“As a complete newcomer to the topic, this workshop really demystified Agile for me. Erum is an engaging presenter, always ready to explain further and answer any questions. Highly recommend!”

***Ruth Cashman, Creative Lead & Storyteller***

“Great course - simple to understand and very relevant to comms people working with agile delivery teams..”

***Philip Egar, Internal Communications & Engagement Advisor at DEFRA***

“It's a really good course - having lived the Agile dream for a few years now it was great to revisit some of the basics and challenge some of my own thinking!”

***Matt Good, Internal Communications Manager at Lloyds Banking Group; Member of IOIC***
